Members of the Illinois General Assembly

FROM: Brent Fischer
Executive Director 

DATE: January 31, 2016

RE: Annual Report – Fiscal Year 2015
Intergovernmental Law Enforcement Officers In-Service
Training Act – Mobile Team Unit Operations

I am pleased to issue this Annual Report on the operations of the Mobile Team Training Units in Fiscal Year 2015. The Annual Report provides summary data and information related to both the funding and operational activities of the 15 established Mobile Team Units from July 1, 2014 through June 30, 2015.

With the establishment of the Mobile Team Training Units in the early 1980's, pursuant to Public Act 82-674, the State of Illinois effectively created a law enforcement training network that is recognized throughout the nation as being "state of the art." It is a training system that provides local and state law enforcement agencies and their 40,000 plus personnel with contemporary instruction on virtually every topic related to their complex public safety function. The result is that the State of Illinois and its citizenry enjoy the very best in law enforcement protection. This Annual Report provides evidence of the continued effectiveness and productivity of the Mobile Team Training Units.

ANNUAL REPORT INTERGOVERNMENTAL LAW ENFORCEMENT OFFICERS IN-SERVICE TRAINING ACT FISCAL YEAR 2015

Mobile Team Unit Funding in Fiscal Year 2015

The Illinois Law Enforcement Training and Standards Board awarded state funds totaling \$4,495,554.77 to 15 Mobile Team Training Units in Fiscal Year 2015, under the authority of the Intergovernmental Law Enforcement Officers In-Service Training Act (Public Act 82-674). In addition, the Board awarded \$ 1,203,304.63 in state and federal grant funds to the Mobile Team Units for specialized training related to the police functions of traffic enforcement, homeland security, and death investigation. In total, the Mobile Team Units expended \$5,698,859.40 in state and federal funds. This amount was augmented by expended local funds and tuition totaling \$2,968,438.33. For Fiscal Year 2015 the 15 Mobile Team Units collectively expended \$8,667,297.73 in federal, state, and local funds. Illustration #1 provides a map and address directory for each of the Mobile Team Units established and funded by the State of Illinois through the Intergovernmental Law Enforcement Officers In-Service Training Act. The concept of boundaries helps to map and to define the geographic areas known as Mobile Team Units that currently exist today. In our continuing efforts to maximize training efficiencies, the Board consolidated Mobile Team 11 with Mobile Team 10 starting fiscal year 2015. Officers have the flexibility to attend training opportunities throughout the state and are not restricted to the defined boundaries in order to reach the educational pinnacle necessary to become an effective officer. Illustrations #2 and #3 give a complete summary of funding provided to the Mobile Team Units in Fiscal Year 2015.

Mobile Team Unit Productivity in Fiscal Year 2015

The Mobile Team Training Units were extremely productive in Fiscal Year 2015. Collectively, the Mobile Teams conducted 30,802 hours of instruction at various sites and locations throughout the state. A total of 45,202 law enforcement officers and support personnel participated in courses offered by the Mobile Team Units. Local law enforcement agencies throughout the state committed 534,053 man-hours to training conducted by the Mobile Team Units. This high level of Mobile Team Unit training activity provides convincing evidence of their continued value and acceptance by the local law enforcement community. Illustration #4 provides a summary, by Mobile Team Unit and in total, of program activity/productivity in Fiscal Year 2015.

Mobile Team Unit Cost Effectiveness in Fiscal Year 2015

The delivery of training through the 15 Mobile Team Units continues to be justified by measures of efficiency and cost effectiveness. In Fiscal Year 2015, the Mobile Team Units provided a high volume of training at a cost of \$281.39 per instructional hour; the cost per trainee was \$191.75 and the cost per training man-hour was \$16.98 (based on federal, state and local funds received). Considering the volume of training delivered, the cost effectiveness ratio seems to be well within acceptable parameters. Illustration #5 provides a breakdown of Mobile Team Unit training cost effectiveness data for Fiscal Year 2015.

In addition, The Board and the Mobile Team Units conducted Mandatory Firearms Training Courses for law enforcement officers throughout the State consistent with mandatory provisions of the Illinois Peace Officer Firearm Training Act (P.A. 86-1324). The Mobile Team Units offered 30 Mandatory Firearms courses to 355 officers. Illustration #6 provides a summary of courses offered and total officers trained in Mandatory Firearms. Mobile Team Unit and Academy firearms ranges are inspected for safety and Board standards by qualified Board range staff each fiscal year. During Fiscal Year 2015 Board staff inspected 38 ranges. Each completed range inspection has a written report on file at the Board office.

Current and Future Funding

As detailed previously in this report, the State of Illinois provided funding totaling \$4,495,554.77 to 15 Mobile Team Units, under the provisions of the Intergovernmental Law Enforcement Officers In-Service Training Act in Fiscal Year 2015. Anticipating that adequate state funds are available, the Board would hope to provide the 15 Mobile Team Units with funding totaling \$4,840,000.00 in Fiscal Year 2016 (projected).

Illustration #7 provides a summary, by Mobile Team Unit and in total, of state funding awarded under the Intergovernmental Law Enforcement Officers In-Service Training Act for Fiscal Year 2015 (actual) and Fiscal Year 2016 (projected).

Summary

Through the efforts of Governor Bruce Rauner, the Illinois General Assembly and the Illinois Law Enforcement Training and Standards Board, state and local law enforcement officers are provided an opportunity to attend “professional development” and “in-service” training programs throughout their careers. The result is that the State of Illinois and its citizenry are afforded the very best in public protection. State of Illinois residents are protected by professionally trained, competent men and women, who recognize their responsibility to maintain top job performance. The Mobile Team Units

provide a valuable function, as is evidenced by this report – they allow our law enforcement officers to be the best they can be.

Finally, and significantly, this innovative law enforcement training delivery system is funded with monies collected through the Traffic and Criminal Conviction Surcharge Fund. As such, no state General Revenue Funds are requested, appropriated and/or expended on the Mobile Team Units.
